Living with the Alabama/Mississippi Shore (Living with the Shore) Wayne F. Canis, William J. Neal, Orrin H. Pilkey Jr., Orrin H. Pilkey Sr.

The Alabama-Mississippi shoreline along the Gulf of Mexico boasts some of the world's most beautiful beaches and balmiest climes. Ever-increasing numbers of retirees, recreation lovers, and industries with work forces are being attracted to the "Sun Belt." On a soft April day the Gulf's waters look as peaceful as a pond.

Yet this same serene shoreline has been ravaged by seven major hurricanes during this century. Several years more than one fearful storm has come hurtling in during a single "season." Loss of life an property damage have been devastating. And newcomers seem almost unaware of the potential dangers.

The authors of this book offer a vivid, historical overview for understanding the environment of the Alabama-Mississippi shore. They describe the risks faced by new residents, and they point the way toward safe and sane coastal development.
