Pastors face a nearly impossible position! Even happy, healthy pastors struggle with pressures, pains, and fears unique to their position. If pastors were given an opportunity to speak honestly, openly, and anonymously about themselves, their families, and their churches, what would they say? *What Pastors Wish Church Members Knew* provides that opportunity. Based on anonymous and honest interviews and surveys, a national cross-section of hundreds of pastors speak out about their personal life, faith, health, wife, children, finances, greatest joys, frustrations, disappointments, greatest fears, and dreams. And you'll learn how you can better help and encourage your pastor. This is insightful and encouraging reading for anyone who cares about the future of the church. This is a companion to the book *What Women Wish Pastors Knew*.
