God Loves to Color Too! Scott E. Smith

Did you know God loves to color too?...His crayon box is full of glorious colors that even helped make you! This book is very unique. It was made by the Smith Family, a multi-ethnic, homsechooling family to help kids learn the majesty of God's colors and how He took loving care to color us each in our own special, beautiful shade of skin color. The book was Illustrated by the author's entire family, from his four-year-old daughter to his twin eight-year-old boys and even his precious wife. Your kids will love this book! It's all about God and His big crayon box that colored the world and everything we see. But it's much more than that. It's about a God who loved us and created us and colored us too for His special purpose. Children will love the idea that other kids helped illustrate the pictures for this book. Additionally, there is a page that can be personalized with your child's photograph so they can visually see just how important they are to God!
