*'I immersed myself in magic. I read every book I could get my hands on and practised and practised, day after day and night after night. Magic became my world...some might say an obsession.'*

When you're a kid life can seem tough; tougher for some than others. But the darkest of times can also be the most enlightening.

When his late granddad showed him magic for the first time, Steven Frayne knew there was more to life than hiding from bullies. He had a destiny. A calling. In that moment Dynamo was born: the most exciting magician of the 21st century.

Since then, Dynamo has shocked, thrilled and amazed men, women and children, from all walks of life, all over the world. With his mind-blowing illusions, he has catalysed a whole new era of magic.

Now, in his very first book, Dynamo invites you to join him on a breathtaking journey across the globe. Be prepared to levitate Lindsay Lohan in Singapore, transform snow into diamonds in the Austrian mountains, and walk on water across the River Thames. Along the way, he reveals how to make the impossible possible, what it takes to pull off the greatest stunts man has seen, and why everyone needs magic in their lives.

***This is no illusion. This is Dynamo revealed.***
