The Gods of Ancient Egypt: A Practical Guide Carolyn Patricia Scott

"The Gods of Ancient Egypt: A Practical Guide" is a collection of descriptions and the fantastical tales of the pantheon of ancient Egyptian deities. While religion has served a purpose in societies since time began, no other ancient mythology has captured the modern imagination like that of ancient Egypt.

The Gods of Ancient Egypt: A Practical Guide is an 'armchair Egyptologist's' collection of the facts, certain of the myths, intriguing asides, tantalizing back stories and suppositions about the gods of the ancients.

Readers will find out that the mummy of movie fame was actually a brain surgeon. And mummies aren't the only subjects from ancient Egypt to make it to the big screen. The life and loves of the last pharaoh of Egypt Cleopatra was most famously portrayed by Elizabeth Taylor in "Cleopatra" (1962). The vulture winged headdress crown that Taylor wore represented the wings that goddess Isis was believed to have sprouted when she learned of the death of her husband Osiris.

The Gods includes a bibliography and a handy glossary, as well as, there are a sampling line drawing illustrations.

Compiled by a well-read armchair Egyptologist, the collection references the basis for many modern horror, fantasy, mystery, and new-age fiction. The Egyptian gods have captured the imaginations of scholars and readers alike. Tales of hawk-headed avengers, death battles between the brothers good and evil, Isis the goddess of love or a hippopotamus- protector standing upright, taking on all challengers –the stuff of ancient myths have mesmerized us all.

REVIEWS Carolyn Scott's The Gods of Ancient Egypt; A Users Guide provides a delightful overview of one of the most amazing pantheons in the ancient world the realm of the Egyptian gods. Carolyn covers the spectrum of Egyptian gods ranging from Imhotep who started out as a living breathing man and was elevated to a god to Aker the god who had a lions head at both ends of his body! Try sneaking up on him and see what happens. For beginners they'll be introduced to a new world they never knew about . . . more experienced students will find facts that might have slipped their mind in this easy to use manual. This little volume is a delight to read and has something to offer everybody."

Rick Baudé

Author "A Heroic Odyssey: A journey through the incredible world of Greek technology"

This is a fantastic read. What I have read is very informative and well researched. Until now I only knew the major gods: Osiris, Heather, Isis, Nephtys, Thoth (I portrayed him in a play), Horus, Anubis, and Seth. (This) book is a spectacular blend of myth and history, easy for any novice to understand.

Reginald Lockett

Author "Good times & no bread," "Where Birds Sing Bass," and "The Party Crashers of Paradise."

From reader reviews:

Josephine Lowe:

As people who live in the particular modest era should be revise about what going on or facts even knowledge to make these keep up with the era and that is always change and move ahead. Some of you maybe will update themselves by examining books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what kind you should start with. This The Gods of Ancient Egypt: A Practical Guide is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Marie Boyd:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try issue that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Gods of Ancient Egypt: A Practical Guide, you are able to enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't obtain it, oh come on its identified as reading friends.

Daniel Cadena:

Many people spending their period by playing outside with friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading through a book. Ugh, think reading a book can actually hard because you have to accept the book everywhere? It fine you can have the e-book, having everywhere you want in your Smart phone. Like The Gods of Ancient Egypt: A Practical Guide which is obtaining the e-book version. So , why not try out this book? Let's see.

Roger Everman:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book but also novel and The Gods of Ancient Egypt: A Practical Guide or others sources were given know-how for you. After you know how the truly amazing a book, you feel would like to read more and more. Science reserve was created for teacher as well as students especially. Those books are helping them to put their knowledge. In additional case, beside science publication, any other book likes The Gods of Ancient Egypt: A Practical Guide to make your spare time a lot more colorful. Many types of book like this one.
