There is a sound erupting in every heart and it is the cry for significance. At one point or the other, everyone wakes up to the realisation that 'I matter' and 'I want to make a difference', but how? We envisage our life to be something more than the daily grind of work and pleasure, however, like many, we simply can't navigate our way to see, to accomplish or fulfill the cry our heart longs to achieve. In the book *Destiny Navigational Application (DNA)* Bidemi Mark-Mordi coaches us to distil the answer to the cry of purpose, mandate and significance. She espouses that the answer is within the very first mandate as given by God to man. This book is a template on how to discern and discover the essence of the call, the power to produce, how to subdue and deliver on your mandate effectively. Man is created in the image after the likeness of God to ensure that the earth is replenished and Glory returned to God Almighty. This book provides us with the understanding, resolve and commitment to deliver and exercise dominion and authority to discern, navigate and apply what we have been entrusted with and ultimately, demonstrate the power of the Most High God.
