Fear the Sky (The Fear Saga) (Volume 1) Stephen Moss

"Perfect for fans of Peter F. Hamilton, Iain M. Banks, and Orson Scott Card, Fear the Sky is a hard hitting sci-fi thriller that will have you looking at the stars in a different way."

In eleven years time, a million members of an alien race will arrive at Earth. Years before they enter orbit, their approach will be announced by the flare of a thousand flames in the sky, their ships' huge engines burning hard to slow them from the vast speeds needed to cross interstellar space.

These foreboding lights will shine in our night sky like new stars, getting ever brighter until they outshine even the sun, casting ominous shadows and banishing the night until they suddenly blink out.

Their technology is vastly superior to ours, and they know they cannot possibly lose the coming conflict. But they, like us, have found no answer to the destructive force of the atom, and they have no intention of facing the onslaught of our primitive nuclear arsenal, or the devastation it would wreak on the planet they crave.

So they have flung out an advanced party in front of them, hidden within one of the countless asteroids randomly roaming the void.

They do not want us, they want our planet. Their Agents are arriving.

"Fear the Sky is a brutal and powerful rendering of what would really happen if a race capable of interstellar travel set its sights on taking our planet from us. Book 1 in The Fear Saga sees very human protagonists pitted against an interesting and three-dimensional alien culture. It is as enjoyable as it is frightening." Bill Hartly - WBSN News

"Easily one of the most imaginative books I've read in recent memory. Stephen Moss' extremely well researched and creative thriller is put forth in shockingly elaborate style." Tom Quaranta

"...if Steven Spielberg hasn't picked up on this, someone else will before too long. Bravo Stephen Moss." Victoria van Hoorn

Fear the Sky, by Stephen Moss, is surging up the Hard Science Fiction rankings, and is the top selling independent debut in the category.
