This book is to inspire any man or woman who thought about giving up on their dreams. I'm a living witness that God, will help you through anything. A product of a single mother on welfare from Cincinnati, Ohio. I lived in the Ghetto projects, hoping for a better life. There were some people who thought, I never amount to anything. I had to go through the Fire, me and my two children. The Fire was like a Flame. Burning for Ever! They say nothing good come from the project. But that's a lie from the pit of hell! I started working at the age of 13years old at the N.Y.C. (neighbor youth core) helping children. I was able to rise from poverty through work experience. As a teenager, I had low self-esteem and lot of challenging circumstances. You must have tenacity and resilient to stay focus. Be a dreamer, like Joseph in the Bible. I remembered the promises of God! "You can make it" Jesus spoke to me and said "all things possible through Jesus Christ"
