Danger Stalks the Swampland

Lostman's River is home to Tyler MacCauley and his family, just as it is to thousands of birds and other wildlife that share Nature's piece of the Earth.

But greed and profit have brought great danger into the swampland. And when Tyler and his family dare to trust a stranger, they find out, to their horror, that they have jeopardized not only the land and all who live there, but their own future as well.
