## Vincent Van Gogh Starry Night Boxed Notes

A hand written note is always appreciated and treasured. The artwork on this boxed set of blank note cards is that of Vincent Van Gogh. On the inside of the box cover is a quote of his: "I often think that the night is more alive and more richly colored than the day". The reusable box has 20 cards and envelopes. There are 5 each of 4 designs that measure 4" x 5". The 4 night scenes are: "Starry Night", "The Cafe Terrace on the Place du Forum, Arles", "Country Road in Provence by Night", and "Starry Night Over the Rhone".

Vincent Van Gogh was an artist of exceptional talent. Influenced by impressionist painters of the period, he developed his own instinctive, spontaneous style. Van Gogh's bold brush strokes and vibrant colors, as captured in one of his most famous works, "Starry Night", exemplifies his unique expressionistic style and demonstrates both his creative genius and deeply spiritual nature. He became one of the most celebrated artists of the twentieth century and played a key role in the development of Modern Art. A great value for 20 fine art cards!
