## **Confessions of an Antinatalist** Jim Crawford

Life is a mixture of good and bad, or so they say. Trouble is, there's no way to determine where a particular life might fall along fortune's spectrum. For every child born into the lap of luxury, there's another born on the point of a knife. There are no guarantees as to what may transpire as the immediate present unfolds into the uncertain future. Things change in an instant. Two things, however, are certain. Everyone will suffer. And everyone will die. Back to where we came from. Knowing this, and understanding full well that any particular life embodies the potential for experiencing extreme pain and unhappiness unceasing in some cases is procreation really worth the risk?

Jim Crawford doesn't believe it is. In *Confessions of an Antinatalist*, Crawford reflects on what it means to exist in the belly of a ravening serpent-life whose only prey is itself, and whose teeth are very, very sharp.

Jim Crawford writes engagingly, persuasively, and (despite the grim topic) humorously. I hope that *Confessions of an Antinatalist* will enjoy the wide readership it deserves.

## **–David Benatar, author of *Better Never to Have Been: The Harm of Coming into Existence***

Even if one loathes the idea of antinatalism on its face, the questions that Crawford raises are such that everyone would be well advised to confront, for someday they may be called upon by their offspring to answer them. And *Confessions of an Antinatalist* dares them to come up with answers they can stand by in good conscience.

## **–Thomas Ligotti, author of *The Conspiracy against the Human Race***

Jim Crawford wishes he'd never been born. If that makes him sound like a bitter, angry misanthrope, he's not (at least, not all the time). *Confessions of an Antinatalist* is a wry, honest, and open-eyed introduction to a philosophy most people simply refuse to consider. After all, what could be wrong with human existence? Crawford answers clearly: Everything.

## **–Mikita Brottman, author of *Thirteen Girls***
