***The Girl in the Spider's Web*, the new book in the Millennium Series, is available now!**

In the third volume of the Millennium series, Lisbeth Salander lies in critical condition in a Swedish hospital, a bullet in her head.

But she's fighting for her life in more ways than one: if and when she recovers, she'll stand trial for three murders. With the help of Mikael Blomkvist, she'll need to identify those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she'll seek revenge--against the man who tried to kill her and against the corrupt government institutions that nearly destroyed her life.

*From the Trade Paperback edition.*
