The Partner

John Grisham

The Partner John Grisham

They watched Danilo Silva for days before they finally grabbed him. He was living alone, a quiet life on a shady street in Brazil; a simple life in a modest home, certainly not one of luxury. Certainly no evidence of the fortune they thought he had stolen. He was much thinner and his face had been altered. He spoke a different language, and spoke it very well. But Danilo had a past with many chapters. Four years earlier he had been Patrick Lanigan, a young partner in a prominent Biloxi law firm. He had a pretty wife, a new daughter, and a bright future. Then one cold winter night Patrick was trapped in a burning car and died a horrible death. When he was buried his casket held nothing more than his ashes. From a short distance away, Patrick watched his own burial. Then he fled. Six weeks later, a fortune was stolen from his ex-law firm's offshore account. And Patrick fled some more. But they found him.

From reader reviews:

Eric Chabot:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each publication has different aim or even goal; it means that e-book has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They may be reading whatever they acquire because their hobby will be reading a book. What about the person who don't like studying a book? Sometime, particular person feel need book once they found difficult problem as well as exercise. Well, probably you should have this The Partner.

Clarence Lowery:

Now a day people that Living in the era wherever everything reachable by interact with the internet and the resources inside can be true or not involve people to be aware of each info they get. How a lot more to be smart in having any information nowadays? Of course the correct answer is reading a book. Reading through a book can help folks out of this uncertainty Information mainly this The Partner book because book offers you rich information and knowledge. Of course the details in this book hundred per-cent guarantees there is no doubt in it everbody knows.

Kelly Gomes:

The Partner can be one of your basic books that are good idea. We all recommend that straight away because this e-book has good vocabulary that could increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The copy writer giving his/her effort to set every word into satisfaction arrangement in writing The Partner but doesn't forget the main place, giving the reader the hottest in addition to based confirm resource information that maybe you can be one of it. This great information can certainly drawn you into new stage of crucial contemplating.

Kristin Saylor:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book was rare? Why so many concern for the book? But any people feel that they enjoy regarding reading. Some people likes looking at, not only science book but also novel and The Partner or even others sources were given knowledge for you. After you know how the good a book, you feel would like to read more and more. Science publication was created for teacher or perhaps students especially. Those publications are helping them to include their knowledge. In some other case, beside science guide, any other book likes The Partner to make your spare time far more colorful. Many types of book like this.
