The Sage of Sugar Hill: George S. Schuyler and the Harlem Renaissance

Jeffrey Ferguson

The Sage of Sugar Hill: George S. Schuyler and the Harlem Renaissance Jeffrey Ferguson

This book is the first to focus a bright light on the life and early career of George S. Schuyler, one of the most important intellectuals of the Harlem Renaissance. A popular journalist in black America, Schuyler wielded a sharp, double-edged wit to attack the foibles of both blacks and whites throughout the 1920s. Jeffrey B. Ferguson presents a new understanding of Schuyler as public intellectual while also offering insights into the relations between race and satire during a formative period of African-American cultural history.

Ferguson discusses Schuyler's controversial career and reputation and examines the paradoxical ideas at the center of his message. The author also addresses Schuyler's drift toward the political right in his later years and how this has affected his legacy.
