Just like in the fairy tale, a lavish ball was being held to find Sheik Malik a bride. There was a darker side to this story though. The urgency was due to several assassination attempts and Malik had to marry quickly and produce an heir. The stability of his country depended on constancy and conservative leadership. He couldn't allow his enemies to win.

But he wasn't prepared for the silver clad goddess that caught his vision as she snuck down the servants' hallway. Nor was he prepared for her resistance. In a room full of beautiful women, his interest was captured by a beauty that wanted nothing to do with him. Except that she caught on fire when he touched her and her soft, sensuous body inflamed him with need.

What was a man to do? Accept the challenge of convincing the lovely Shanelle to fall in love with him. Over a weekend of passionate kisses and stolen passion, Shanelle and Malik discovered that protecting the kingdom could be quite exhilarating.

A very short novella by Elizabeth Lennox! Enjoy!
