Walking In Freedom: Not Skinny But Whole Jeanine M. Williams

Jeanine Williams is no stranger to pushing past your issues to come out on the other side in freedom. Jeanine spent the majority of her adult life overweight, depressed, blaming others for her mistakes, and just going through the day to day motions. One day in 2011 she was at the end of her rope. She was tired of living in that state. She was tired of blaming others for her mistakes. She was tired of being overweight. She was tired of being unhappy. Jeanine went to God because she had tried doing things her way for so long and never received the results that she desperately sought after. When she finally got sick and tired of being sick and tired she opened up to God's true love and her life has not been the same since. She had to learn to deal with her issues, let go of her own desires, and trust God at a new level. At the end of her journey she came out healthier, happier, and she has no regrets. Come walk through her journey. Then get ready to take your own. This book includes a 30-day journal for you to start your own journey!
