## **We Love Wolves!**

**Wolves are fascinating animals – very intelligent, social, flexible and adaptable. Wolves have fascinated humans for millennia yet there is still so much we don't know about them and there are lots of amazing wolf facts people are not familiar with or often forget.**

Did you know that...

- Wolves are devoted parents
- Wolves are shy around people
- Wolves have an exceptional sense of smell
- Wolves love to play

Learn all this and so much more in this amazing picture book that is sure to capture the attention of young children and encourage them to learn and explore animals' lives in the wild and in captivity! This educational book is truly a must have collection to any bookshelf, library, classroom or eBook reader.

Primary school teacher and busy mom Ellie Potter believes strongly that the best way for children to learn new things is by playing games and having fun, but most importantly, by creating opportunities for them to use their imagination. Her commitment to education together with her extensive teaching experience find expression in her informative and fun-filled Educational Animal Books Series.

Scroll up, GRAB A COPY TODAY and curl up next to your little one for a short and sweet bedtime story. Don't miss a wonderful opportunity to affirm your child's natural compassion toward animals and teach him to appreciate the wonders of Mother Nature.
