The Gnostic Gospel of St. Thomas: Meditations on the Mystical Teachings Tau Malachi

Of all the "lost" gospels of the early Christian Bible, the Gospel of St. Thomas is the most well known. According to Tau Malachi, each verse of this Holy Scripture is like an "endless well of Wisdom." Drawing upon the Holy Kabbalah, contemporary Christian thought, and wisdom of the gnostic tradition, Malachi guides the reader into a true gnostic experience—a first-hand and completely unique exploration of the sacred secrets and spiritual insights in this important gnostic text.

Both intuitive and interactive, the gnostic approach to faith is a sacred quest for greater knowledge, understanding, and wisdom—a deeper penetration of the Mystery. This path leads to a higher degree of the enlightenment experience or gnosis. *The Gnostic Gospel of St. Thomas* reveals how the reader can use each verse in this scripture as a source of daily contemplation and spiritual growth, while exploring the secrets of resurrection and ascension, the true role of St. Mary Magdalene in the early church, and other mystical and magical teachings.
