John Warwick Montgomery

The Shaping of America: A true description of the American character, both good and bad, and the possibilities of recovering a national vision before the people perish John Warwick Montgomery

A critique of American ideas. The first half of the book deals with how America became the nation that it is; the second half suggests how it could become the nation that it should be. "Every Christian interested in the welfare of his or her country should read this excellent volume." (Robert G. Clouse, Department of History, Indiana State University)
