While the love of his life lay in a hospital bed, Ivory's mind raced with the wind. Would the 30 day stint in the county be enough to convince him to alter his lifestyle? Or would the fortune and fame call his name too loudly for him not to answer?

As always, when money and greed is added into the equation; the question of loyalty is quickly raised and put to the test. Will Jolly Jr. and Ray gain Ivory's complete trust? Can Frost restore the relationship he once had with his first cousin? Who will stand firm when the pressure is on and who will be the demise of this reign of Supremacy?
