This entertaining, and yes, educational book is a fun Zombie Movie Guide, covering the top 34 zombie movies of all time (complete with information about each film including the director, major cast, interesting facts and a plot summary). This Zombie Movie Guide is not the same as “Zombie Movies the Ultimate Guide” which is by another author.

Included is a chapter devoted to a brief history of zombie films, beginning with White Zombie from 1932 and ending with the 2013 movie World War Z.

Not only are the Best Zombie Movies discussed, but the best zombie comedies as well. While some of these comedies may not have made the “Best Zombie Movies” list, they certainly are good zombie movies.

This zombie movie book also includes a “Zombie Trivia” section, where you can test your knowledge with screenshots from several of the Best Zombie Movies.

This wonderful eBook is extremely easy to navigate, with an alphabetical zombie movie index that allows you to quickly jump to the film of your choice. You can also link directly to the exact location on the worlds largest online store where you can either watch the movie instantly or purchase the DVD.

Zombie fans enjoy!
