**Beyond Left and Right: INSURGENCY AND THE ESTABLISHMENT** David A. Horowitz

"Beyond Left and Right" is a sweeping overview of political insurgency in the United States from the 1880s to the present. It is at once a stunning synthesis, drawing on a large number of scholarly works, and an ambitious and original piece of research. The book ranges over diverse individuals and groups that have attacked the established order, from the left and the right, from the Populists of the 1890s to Ross Perot and the religious right of our times, dealing along the way with non-interventionists, Klans, monetary radicals, McCarthyites, Birchers, and Reaganites, among many others.
