College Algebra, Annotated Instructor's Edition Cynthia Y. Young

By following a distinctive approach in explaining algebra, College Algebra helps alleviate the readers anxiety toward math. New sections on modeling have been added at the end of each chapter. Sections have been included on Limits and Early Functions. There are also numerous examples integrated throughout the pages to assure that all problem types are represented. These examples contain more detailed annotations using everyday language. This approach encourages readers to develop sound study and problem solving skills.
