*Everything is about to change...*

When Ross Lowry moves into his cousin's guest house in the small community of Magdalena, Arizona, he expects nothing more than a breathing room and a brief respite from his economic woes.

But something is not right in the desert.

After a raucous party on New Year's Eve, the luck of the attendees undergoes an immediate U-turn. The rich and successful suddenly find themselves facing catastrophic failure while the less well-off are unexpectedly flush with good fortune.

*This is only the beginning...*

Soon the citizens of Magdalena are experiencing unnatural desires.

Next their children begin to disappear and freakish creatures emerge from the surrounding wilderness.

The community is unraveling at a frightening pace.

But these are merely the early warning signs of a showdown with a powerful force of darkness that could obliterate the world forever, and only Ross Lowry sees the danger that lurks ahead...
