World's Collide (Sanctuary) (Volume 7) RJ Scott

It is the day after New Years and Dale is en route back to Albany in a private jet with Emily Bullen. She is coming back home after turning states evidence on her husband Senator Thomas Bullen. What no one factored in, not Sanctuary or the FBI, was the lengths Griffin Ryland would go to in the effort to protect himself. When Joseph finds out Dale is in trouble and it is only with the help of his team of SEALs that he can make sure Dale is safe and that Griffin Ryland can't cause any more trouble. A snowy New Years, a deserted airport and a hostage situation with people already dead and suddenly the worlds of Sanctuary and the SEALs collide, with terrifying consequences. Then, two weeks alone at a resort, falling deeper in love leave the two men with decisions to make and suddenly there is the chance to make forever a possibility. * * * * * Featuring Dale and Joseph from The Only Easy Day.
