## The icing on her Christmas cake!

Christmas is the season the Gingerbread Café in Ashford, Connecticut was made for...but owner Lily couldn't be feeling less merry if she tried. She's spent another year dreaming of being whisked away on a sleigh-ride for two, but she's facing festive season alone – again. And, just to give her another reason to feel anything other than candy-cane perky, a new shop across the road has opened... Not only is it selling baked goods, but the owner, with his seriously charming smile, has every girl in town swooning.

But Lily isn't about to let her business crumble — the Gingerbread Café is the heart of the community, and she's going to fight for it! This could be the Christmas that maybe, just maybe, all her dreams – even the *someone-to-decorate-the-Christmas-tree-with* ones – really do come true!
