Persuasion (Illustrated) Jane Austen

“You pierce my soul. I am half agony, half hope...I have loved none but you.”

? Jane Austen, *Persuasion*

In her final novel, as in her earlier ones, Jane Austen uses a love story to explore and gently satirize social pretensions and emotional confusion. **Persuasion** follows the romance of Anne Elliot and naval officer Frederick Wentworth. They were happily engaged until Anne’s friend, Lady Russell, persuaded her that Frederick was “unworthy.” Now, eight years later, Frederick returns, a wealthy captain in the navy, while Anne’s family teeters on the edge of bankruptcy. They still love each other, but their past mistakes threaten to keep them apart.

Austen may seem to paint on a small canvas, but her characters contain the full range of human passion and moral complexity, and the author’s generous spirit renders them all with understanding, compassion, and humor. The author once compared her writing to *painting on a little bit of ivory, 2 inches square*. Readers of **Persuasion** will discover that neither her skill for delicate, ironic observations on social custom, love, and marriage nor her ability to apply a sharp focus lens to English manners and morals has deserted her in her final finished work.
