They say

"It takes a minute to have a crush on someone.
An hour to like someone. A day to love someone.
But it takes a lifetime to forget someone."

Probably it's true, probably it's not.

One of the hardest and toughest time in our lives is to step out of someone's life even though we don't want to.

At some points, we have to realize when to stop and how to move forward. And the most important thing is to not forget to love ourselves. Just because someone let us down doesn't mean that we have to low our self-esteem.

Some people come into our lives and stay, some aren't.

We can do nothing more than do our best and let everything go with the flow.

On the day that I'm blank, still in the deep mood and don't know which direction I should go, I randomly pick some of these quotes and repeatedly read them.

Believe it or not, I've found out that sometimes we don't have to hide our feelings and pretend to be strong. We 'd better accept the truth and stay with it, this way will help you get through it easier.

Though this kind of book doesn't need the table of content but I still make it.

Just because I think that you may use it whenever you're blank and it may randomly pick some for you.

Who knows what will happen? Some of these quotes may help you find out something.

Hope they will help you get over your tough time, just like I did.

Don't forget to open your mind and stay positive.

It's time to be happy and smile :)

Enjoy life!
