When Jude agrees to lend her vintage chaise longue for the local Amateur Dramatics Society's production of George Bernard Shaw's *The Devil's Disciple*, little does she realize she'll end up in a starring role. It's an ambitious play, culminating in a dramatic execution scene: a scene that's played for real when one of the leading actors is found hanging from the especially-constructed stage gallows during rehearsals.

A tragic accident - or something more sinister? Carole and Jude make it their business to find out.
